"TO REACH YOUR COMMUNITY, YOU MUST LOVE YOUR COMMUNITY"

We would like to invite people who live, work and study in Radlett and the surrounding villages to join their local services* to discuss and explore ways we can improve the community we live and work in.

Together we can come up with positive, achievable solutions to issues that you or your neighbours are facing. We will begin to plan a stronger, brighter and more cohesive future for the community.

So come along and join us for an interactive theatre performance, group discussions, information stalls and a light buffet. Bring your views and ideas of what you think the community needs to make it a safer, happier and healthier place to live in so that together, we can make it happen.

Tickets are allocated on a first come, first served basis so please book early to avoid disappointment.

To book your FREE ticket(s) please contact partnership.support@hertsmere.gov.uk or call 020 8207 7801.
