### **Press Release**

#### **PRECEPT 2021/22**

Aldenham Parish Council is pleased to confirm that following the council meeting on 22<sup>nd</sup> February 2021 it has set its Precept for 2021-22 at £636,934. This is a reduction of £49,679 in comparison to previous year.

The Council was very concerned, this year, about the negative financial impact of the Coronavirus Pandemic on its local residents. Therefore, it worked extremely hard to balance these issues, aiming to ensure that the Aldenham Parish Council element of the average Band D Council Tax Bill would decrease in the 2021-22 financial year. As a result of the detailed and carefully considered budget setting process, the approved Aldenham Parish Council Precept requirement for 2021-22 resulted in a 7.34% decrease in the Parish Council element of the Council Tax this year with the average Band D bills decreasing by £9.63 a month to £121.65 per annum.
