

# Aldenham Parish Council Survey

Aldenham Parish Council's Access For All working party is delighted to extend this survey in order to determine where efforts and funds are most needed to improve the lives of carers, disabled people and people with age-related conditions in the community.

If you are disabled or have a medical condition, are a carer, have someone in your family living with the challenges of disability or age-related issues such as dementia, or want to drive equality in our community for any reason – we would value your time to complete this survey. **Please do not leave any personal information on this form. For support completing this survey, please email [admincomms@aldenham-pc.gov.uk](mailto:admincomms@aldenham-pc.gov.uk) or call 01923 856433.**

**Please note you do not need to complete both pages. Page 1 is to be completed by carers and page 2 is to be completed by people living with a disability &/or age-related condition.**
