Chairman's Blog

The last month has been one of uncertainty and fear for many in our community. Aldenhams Parish Council condemns the terrorist attacks by Hamas against Israel, especially the targeting of innocent civilians. Many residents will be worried about family and friends and our thoughts are with them, and all the people of Israel. Personal safety is also a concern for many, and APC have been working with Hertsmeire Borough Council, the police and faith leaders to ensure that all residents feel safe and have up to date information. Please see the council website for resources and links.

It's free to attend, everyone is welcome and refreshments will be available from 10:30am. APC School Picture Competition

APC invited all the local primary schools to take part in creating a winter picture competition. It was very hard to choose just one winner, but I'm delighted to announce that Hridhaan Pala, aged 8, from Edge Grove School has won. His picture will appear on the front cover of Around Radlett and he will be switching on the festive lights at this year's Winter Fair. Congratulations!
