June 2024

The sun is finally here and the open spaces across the parish are looking fantastic! Why not visit the shaded delight that is Scrubbitts Wood (found between Gills Hill and Scrubbitts Park Road), or the open fields at the King George V Playing Field's surrounding Tabard Rugby Club on Cobden Hill. The Phillimore Recreation Ground (Phillimore Rec) also has Fir Spring Wood and an open field, as well as the playground, outdoor gym, MUGA and tennis court.

## Café Project Update

The construction of the new café at Phillimore Rec is coming along nicely. To date the site cabin has been set up, most of the below ground drainage has been installed, the reinforced concrete slab is installed as well as the timber frame and roof trusses. Over the course of the next month, the roof will be completed and the windows prepared. You can find regular updates of the progress on our website [www.aldenham-pc.gov.uk](http://www.aldenham-pc.gov.uk).

## Casual Vacancy for a Parish Councillor

Following the statutory period of Public Notice, APC is now able to co-opt a local elector to fill the vacancy left by the resignation of Mrs Clare Diskin. If you want to support your local community and have the time (approximately eight hours per month) and enthusiasm to help represent their views, then please contact Council Manager, Peter Evans on 01923 856433 or email [manager@aldenhams-pc.gov.uk](mailto:manager@aldenhams-pc.gov.uk).

## Radlett in Bloom

The wildflower area at Phillimore Rec is looking beautiful and well worth a visit. Well done to APC's Open Spaces Team for creating such a wonderful sight. Thank you for all the lovely comments posted on social media and the heartfelt email received from a local resident, 'Its delightful to wander through the many paths and look at the wild flowers & butterflies close-up'. You will also see the fabulous hanging baskets prepared during our public masterclass on the topic have now gone up in the High Street and will soon be in full bloom!
