August 2024

While the council doesn't meet in August, our work continues, and indeed saw our biggest event of the year, the Aldenham Parish Council (APC) Summer Event. We had a fantastic turn out and everyone was able to enjoy the free face painting, petting zoo, craft table, bouncers, inflatables, as well as the opportunity to talk to the police, the Girl Guides, Christ Church, Tabard Rugby Club, Herts Family Centre and Razzamataz.

A huge thank you to all that came and helped make the day such a special one, especially the staff at APC who worked all day in the hot sun to ensure everything ran smoothly.
