

August 2025

# Chairman's Blog

While the council doesn't meet in August, our work continues, and Aldenhams Parish Council (APC) was delighted to bring back Films In The Park, showing two heart-warming family films. A massive thanks to Debenhams Ottaway for sponsoring this event and running such a wonderful stall. In August we held our summertime event, offering free face painting, funfair rides, games, inflatables, crafts, woodland trail, community stalls and entertainment from Jolly Jodie. Both events were run brilliantly by Park Events and we had a fantastic turn out for both days and the sun was shining!

A huge thank you to all that came and helped make both days so special and the staff at APC and Phillies café who worked all day to ensure everything ran smoothly.

Cllr Helen Jones
